PRIVATE BILLS.

EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

RULE 76.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks

during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring $10\frac{3}{4}$ inches by $7\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

In the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in Rule 72, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

Firstly: Those certain parcels or tracts of land in Sections Six and Seven in the Fifth Township, in the Fourth Range, west of the seventh meridian, comprising that portion of the Vulcan Mineral Claim being Lot Four thousand one hundred and

Secondly: That certain parcel or tract of land in Section Six in the Fifth Township, in the Fourth Range, west of the seventh meridian, comprising that portion of Eureka Mineral Claim being Lot Four thousand one hundred and thirteen and that portion of Vulcan No. 2 Mineral Claim, being Lot Four thousand one hundred and fifteen, both in the New Westminster Mining Division of the New Westminster District, in the Province of British Columbia, within the boundaries of timber berth Number Three hundred and fifty, which said parcel is shown coloured green on the attached blue-print and contains by admeasurement nine acres and forty-three hundredths of an acre, more or less:

P.C. No. 1665.

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Wednesday, the 1st day of October, 1924.

PRESENT:

THE DEPUTY OF HIS EXCELLENCY
THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS section 12 of the regulations governing the granting and administration of grazing leases on Dominion lands in the Railway Belt in the Province of British Columbia, established by Order in Council of the 26th July, 1924 (P.C. 1274), provides as follows:—

"The holder of a lease acquired under former regulations, irrespective of the area contained therein, may relinquish his lease and acquire one under these regulations for a period of ten years on the condition that, upon inspection by an officer of the Department, the lands affected are found to be unfit for agricultural purposes, and that the lessee is utilizing the leasehold to its full extent for stock-grazing purposes."

And whereas the Minister of the Interior reports that some of the leaseholds now in existence are wholly or partially within the boundaries of forest reserves established subsequent to the granting of the leaseholds, and the refusal of a renewal lease of a leasehold entirely within a forest reserve, or for such portion thereof as is within the reserve, would seriously interfere with the operations of the lessee:

Therefore, with a view to encouraging the stock industry as much as possible, His Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to grant and doth hereby grant authority for the inclusion of such lands in any renewal leases which may be granted under the clause of the regulations above referred to.

(Signed) G. G. KEZAR,
Assistant Clerk of the Privy Council.

To the Honourable
The Minister of the Interior. 8202-oc16
